Dear Mrs. Manley:

I received your letter of May 20th.

Unfortunately I am not in a position to tell you anything about that Sunday June 7th date although I expect to have some word almost any day. The party whom I am trying to contact has been out of town and is expected back before this weekend.

Just as soon as things get moving in this territory, I'll see what I can work out for you in the way of exhibition games.

Very truly yours,

*W. A. Leuschner*
